

EXTENSIONS OF REMARKS

IN HONOR OF ANNE HUGHES,
PH.D., RN

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 20, 2021

Ms. SPEIER. Madam Speaker, I rise today along with Speaker NANCY PELOSI to pay tribute to a registered nurse and leader in health care for marginalized people, specifically people with AIDS and the impoverished. Anne Hughes, Ph.D., RN was born in Philadelphia, Pennsylvania in 1953 and studied nursing there at Gwynedd Mercy College. She went on to Boston College to receive her Master's Degree and then to the University of Washington in Seattle. She received a Ph.D. in nursing from the University of California, San Francisco, in 2007.

Dr. Hughes died earlier this year after more than 30 years of service to San Francisco's public health hospitals. She worked at San Francisco General Hospital as a clinical nurse specialist; hospice nurse and on the HIV/AIDS unit. From 1987 to 2000, at the height of the epidemic, she provided compassionate care when HIV/AIDS was highly stigmatized because it affected primarily gay men. She began in an era when few in the country knew much about this disease.

Dr. Hughes was a soft-spoken leader known for her kindness to patients, and colleagues. She also served beyond San Francisco and helped found the American Association of Nurses in AIDS CARE, serving as President of the organization in its early years. Dr. Hughes used her clinical expertise and served as the first co-editor of the "Core Curriculum for Nurses in HIV/AIDS Care," a major undertaking with over 102 contributors.

In 2000, Dr. Hughes left San Francisco General to work at San Francisco's Laguna Honda Hospital, the largest skilled nursing facility in the country. Her doctoral study research focused on how poor and homeless people die in San Francisco. She brought her knowledge of the emerging field of palliative care and her hospice experience to Laguna Honda. She was the first nurse selected to be a department director. She served on San Francisco's End of Life Task Force, an interdisciplinary, inter-health system group that sought to improve care throughout San Francisco.

Dr. Hughes wrote numerous chapters and articles on HIV/AIDS, hospice care and palliative care. She was elected to, and served on, the board of the national Hospice and Palliative Care Nurses Association. Her many accomplishments won her an invitation to be inducted as a Fellow into the American Academy of Nursing.

As I close these remarks, let me offer Speaker PELOSI's and my condolences to her wife, Marilyn Dodd, Ph.D. RN, and to her extended family. The requirements of a public health professional likely cost Dr. Hughes many hours that might otherwise have been

devoted to family and friends. In their grief they can take comfort from the reality that her hours were spent in heroic work, tending to the needs of those who, many times, had few others who would acknowledge their humanity. They can justifiably be proud of all that she achieved in her professional life.

Dr. Hughes gave us a wonderful example of what public service can mean to this nation. Our nation now extends to her this acknowledgement, in its chronicle of the proceedings of Congress. We hope that other stories and facts related herein today will rise to the outstanding example of duty and honor demonstrated by the life of Dr. Hughes.

HONORING ROB WEISS

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 20, 2021

Mr. THOMPSON of California. Madam Speaker, I rise today to honor Rob S. Weiss in recognition of his 25-year career at Mentis, Napa's oldest non-profit organization dedicated to providing affordable bilingual mental health services.

Born and raised in Los Angeles, California, Mr. Weiss earned his bachelor's degree in sociology from the University of California, Los Angeles (UCLA) in 1989. He then entered UCLA's Master of Social Welfare (MSW) program, where he received his graduate degree in social welfare in 1995 and became a licensed clinical social worker. Early in his career, Mr. Weiss discovered a passion for helping those struggling with their emotional and mental health. In 1996, Mr. Weiss began working at Mentis, providing therapy and supportive structure for adults living with mental illness. As a result of Mr. Weiss' dedication and service, he was promoted first to clinical director and then to executive director of the agency in 2011. His tireless work and stewardship of the agency is reflected in the growth of the population Mentis serves each year, which has grown from a few hundred people a year to over 3,500 individuals.

In addition to aiding those with mental health illnesses, Mr. Weiss has dedicated time to support youth through coaching youth sports. His holistic philosophy to coaching has provided hundreds of young athletes with the mental and emotional skills to face challenges both on and off the court.

Mr. Weiss' numerous leadership roles include serving on the Providence Queen of the Valley Medical Center's Committee on Community Benefits to measure progress of the Center's community outreach health initiatives. Mr. Weiss has also served on the Adventist Health Community Health Needs Assessment Steering Committee to better understand the needs of his community. He is a member of both the Napa County Aging Population Initiative, a group dedicated to supporting older adults in Napa County, and the Community

Leaders Coalition, a group that supports vulnerable populations in Napa County.

Madam Speaker, it is evident that Mr. Weiss has worked endlessly to serve the most vulnerable individuals in our community. Therefore, it is fitting and proper that we honor him here today.

In this capacity he has been responsible for policy development, mission direction, program execution, operation and evaluation of naval ship life cycle logistics, information systems, and corporate leadership of the Naval Shipyards, and Supervisors of Shipbuilding. You could say he has come a long way from his beginnings with the federal government as a typist with the National Archives in the 1970s.

REMEMBERING MICHELLE LYN
PRESENT

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 20, 2021

Mr. HOYER. Madam Speaker, I rise to pay tribute to a close friend who passed away late last year following a courageous battle against cancer.

Michelle Lyn Present was a young woman blessed with many talents and virtues. She possessed an abounding faith, which enabled her to persevere through a very long and difficult struggle until her passing on December 3, 2020. Not only did she not allow darkness to shadow her days, Michelle was a beacon of light that never flickered but always shone brightly; indeed, hers was a light that helped to guide others in overcoming challenges of their own.

I came to know Michelle through her parents, Marti and Kenny Cox. Kenny was a former member of the District of Columbia Fire Department and, for many years, the Vice President of the International Association of Fire Fighters Local 26. Michelle's parents instilled in her their value of service to others and their love of community and country.

Among her many talents, Michelle was a very gifted singer. She was always willing to share her beautiful voice, whether in her church or at fire-service events. For many years, she performed at the National Fallen Firefighters Memorial Ceremony. At the request of the late Hal Bruno, former Chairman of the National Fallen Firefighters Foundation, she would perform the song 'Precious Memories.' The sound of her voice resonated throughout the gathered assembly of family members and fire-service officials. It was a voice that I always looked forward to hearing each year at the very moving ceremony.

On behalf of the Congressional Fire Services Caucus leadership, I extend my condolences to Michelle's husband Jack and their daughter Taylor, to her parents Kenny and Marti, to her brother Ken Jr., and to her entire family. In remembrance of a dear friend who was called home too early, I would like to share the words from 'Precious Memories' with my fellow Members of the House. I hope you will find them as uplifting as I did whenever Michelle sang them to the families of fallen firefighters and all of us who were there to support them each year.

Precious memories, unseen angels,
Sent from somewhere to my soul
How they linger, ever near me,
And the sacred scenes unfold

Precious memories, how they linger,
How they ever flood my soul
In the stillness of the midnight,
Precious, sacred scenes unfold
Precious father, loving mother,
Fly across the lonely years
And old home scenes of my childhood,
In fond memory appear

In the stillness of the midnight,
Echoes from the past I hear
Old-time singing, gladness bringing,
From that lovely land somewhere

I remember mother praying,
Father, too, on bended knee
Sun is sinking, shadows falling,
But their prayers still follow me
As I travel on life's pathway,

Know not what the years may hold
As I ponder, hope grows fonder,
Precious memories flood my soul

May the precious memories of Michelle Lyn Present be a comfort and a blessing to all those who knew her and to all those to whom she brought her many gifts in life.

RECOGNIZING THE 125TH ANNIVERSARY OF THE TRAVERSE CITY
ELKS LODGE

HON. JACK BERGMAN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 20, 2021

Mr. BERGMAN. Madam Speaker, it is my honor to recognize the 125th Anniversary of the Traverse City Elks Lodge. Through their steadfast devotion and service to their community, Lodge No. 323 has become an indispensable part of Michigan's First District.

Since 1896, the Traverse City Elks Lodge has not only worked to provide a supportive environment for their members, but has also continuously assisted others in their community through service and charity. Since their establishment, TCEL has worked to follow and uphold their four cardinal virtues: Charity, Justice, Brotherly Love and Fidelity.

As a result, their organization has helped many Michiganders and families through the multiple charities and scholarships they work with. This notably includes the Elks National Foundation which provides \$3.64 million in college scholarships each year. In addition, their work with the Michigan Elks Major Project supports special needs children that do not receive assistance from other agencies or groups. Their help has improved the lives of countless Americans and their families, and their dedication to the well-being of our communities cannot be overstated.

Madam Speaker, it's my honor to recognize Traverse City Elks Lodge for decades of success and service to Northern Michigan. Michiganders can take great pride in knowing the First District is home to such dedicated citizens. On behalf of my constituents, I wish them all the best in their future endeavors.

"BUILDING NEW OPPORTUNITIES"
PROJECT FOR RECEIVING
THE 2020 GOVERNOR'S HOME-
TOWN PROJECT AWARD

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 20, 2021

Mrs. BUSTOS. Madam Speaker, I rise today to honor Rockford's "Building New Opportunities" project for bringing together high school students and families in need to create affordable housing. The organization received the 2020 Governor's Hometown Project Award for the incredible work they have done in the community.

Rockford Area Habitat for Humanity and the Rockford Public School District came together to have construction trades students at Rockford's Guilford High School build a house from the ground up as part of their academic year

curriculum. 32 high school students constructed a multi-level, four-bedroom home, which Rockford Area Habitat for Humanity sold to a local family in need of safe and affordable housing. In doing so the students mastered the skills needed for their post-graduation trades careers.

It is because of community projects like Building New Opportunities that make me proud to represent Illinois' 17th Congressional District. Madam Speaker, I would like to again formally honor Rockford's "Building New Opportunities" for being awarded the 2020 Governor's Hometown Project Award for their efforts in the community.

Madam Speaker, again, I ask the House of Representatives to join me in honoring the long life of Willie James "Bill" McNair, Sr.

IN RECOGNITION OF THE 35TH ANNIVERSARY OF THE OPENING OF
ACADEMY HILL SCHOOL

HON. RICHARD E. NEAL

OF MASSACHUSETTS
IN THE HOUSE OF REPRESENTATIVES
Wednesday, October 20, 2021

Mr. NEAL. Madam Speaker, I would like to take this opportunity to congratulate the Academy Hill School on celebrating their 35th anniversary. This milestone achievement deserves the highest praise for the hard work and dedication of the school's faculty and staff, as well as those students whose remarkable commitment to learning has played a pivotal role in the school's success.

Although established in 1986, the Academy Hill School began operating in 1979, offering enrichment classes to gifted students throughout the Greater Springfield community. Two years after opening their full-time day school

in 1986, the Academy Hill Center for Gifted Children was incorporated as a non-profit organization. Over the next three decades, Academy Hill would grow and expand their campus, relocating to their current location on Liberty Street in Springfield, and nearly doubling their total enrollment in their K-8 program. This past year has reminded us of the critical role our schools play in our children's lives, with millions of educators across the country taking on the tremendous responsibility of providing our students equitable educational opportunities in a safe and healthy environment. Therefore, I cannot think of a more appropriate occasion to celebrate all that the Academy Hill School has accomplished over the past 35 years.

Madam Speaker, I would like to once again congratulate the Academy Hill School on celebrating their 35th anniversary, and thank them for continuing to inspire our students. Academy Hill is a cherished member of Massachusetts' First District, and I wish them many more years of success and prosperity.

RECOGNIZING THE PIERMONT
FIRE DEPARTMENT FOR THEIR
HEROIC RESCUE RESPONSES TO
HURRICANE IDA

HON. MONDAIRE JONES

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 20, 2021

Mr. JONES. Madam Speaker, in early September, our communities in Westchester and Rockland suffered immensely in the aftermath of Hurricane Ida, with flooded basements, damaged homes, and, tragically, lives lost. I witnessed the damage firsthand, touring some of our hardest hit communities and thanking our brave first responders, including the Village of Piermont Fire Department, whose marine diver unit rescued dozens of Rocklanders from the floors. I am devastated for all those impacted by this disaster, and I will not stop working until our communities have fully rebuilt.

The Piermont Fire Department responded bravely to over 30 emergencies within Rockland County. During the height of the storm, the Piermont Dive Team heroically assisted in multiple water search and rescue efforts. 22 cars were searched by Fire Department members in Rockland, including a dive operation in the Village of Spring Valley on a car that was submerged in 7.5 feet of water.

While the Dive Team responded to water rescues, other members of the Piermont Fire Department responded to emergencies such as flooding conditions, roadway hazards, downed trees and wires, and an unmanned boat throughout Rockland County. The rescue teams went to Sparkill, Tappan, and West Nyack to respond to vehicles in the water with trapped victims inside. All victims were rescued safely thanks to the heroic efforts of the Fire Department volunteers.

Many lives were saved by the brave volunteers of the Piermont Fire Department. Our

community is forever grateful for their tireless work to keep us safe. I would like to recognize and thank the following people for their bravery: Chief Samuel Kropp, Jerry Albes, Daniel Albin, Donna Alise, James Alise, Mya Alise, Andrew Baez, Alan Bartley, Mike Bettman, Amy Blomquist, Mark Blomquist, Frank Bockowski, Larry Cabrera, Mark Carlucci, William Cavanaugh, Joan Chadwick, Bernard Comiskey, Phil Esnard, Elizabeth Fagan, Kevin Fagan, Alexandra Gatti, Nick Gatti, Candace Goswick, Daniel Goswick Sr., Daniel Goswick Jr., Hope Goswick, Erika Gould, Donald Hardy, Donna Hardy, Chris Healy, Bill Hickey, John Hickey, Patrick Krummack, Reese McNichol, Nathan Mitchell, Stephen Moscatello, Ernie Nieves, Julie Pagliaroli, Joseph Palkovic, Tim Piesco, Dennis Plunkett, Max Reiter, Chris Sanders, Mary Saunders, Michael Saunders, Richard Scully, Samantha Scully, Brandi Silva, Scott Silva, Al Sisolak, Matt Stevenson, Santina Stevenson, Tim Temple, Tom Temple, Chris Ward, Kyle Weiss, and Noah Weiss.

IN RECOGNITION OF THE 100TH
BIRTHDAY OF CLARA DOUTLY

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 20, 2021

Mrs. DINGELL. Madam Speaker, I rise today to recognize Clara Doutly, a lifelong resident of Detroit, Michigan on the occasion of her 100th birthday. Her contributions to our community as a Rosie the Riveter are worthy of commendation.

Born at Herman Keifer Hospital in Detroit, Michigan, she was the youngest of six siblings. She fondly remembers summers spent at Green Pastures Camp, a successful program of the Detroit Urban League for children to spend time in the great outdoors. An excellent student, she attended the prestigious Cass Technical High School. After the bombing of Pearl Harbor and the subsequent entrance of the United States into World War II, Mrs. Doutly heard the call and started working at Briggs Manufacturing Company in Detroit, making parts for the B-29 bomber aircraft. She worked there as a riveter from 1942 until the end of the war in 1945. As a Rosie, Clara's hard work, grit, and patriotism not only sustained the American war effort, but paved a path for the next generation of working women.

Now a member of the American Rosie the Riveter Association, she seeks to preserve and celebrate the legacy of the Rosies. Through her membership, she's been able to board the first ever Rosie the Riveter Honor Flight to Washington, D.C., participate in the Detroit Thanksgiving Day Parade, and has been featured in National Geographic—including in the June 2020 issue commemorating the 75th anniversary of the end of World War II.

Full of life and joy, even at age 100, Mrs. Doutly's sayings and stories are legendary among those who know her. She is a living witness to history and loves to talk about her experiences during World War II. She talks of the days of Detroit's Paradise Valley, where she enjoyed the renowned musicians and nightlife. After the war ended, she married Sylvester Doutly and worked at Detroit Public

Schools, where she remained until her retirement. A proud member of St. Patrick's Senior Center in Detroit for over three decades, she is an active participant in the center's activities and trips. Prior to the pandemic, she could be found there catching up with friends each day.

Madam Speaker, I ask my colleagues to join me today in celebrating Clara Doutly on her 100th birthday. I join with her family and friends in extending my best and warmest wishes to her on this special day. I am proud to honor her life, her accomplishments, and her invaluable contributions to our Nation.

Wednesday, October 20, 2021

Mr. BABIN. Madam Speaker, I rise today to honor Dr. Franklin Chang-Díaz for being selected as one of the 100 Most Intriguing Entrepreneurs of 2021 at Goldman Sachs's Builders + Innovators Summit in Healdsburg, California.

Selected as one of 100 entrepreneurs from a diverse range of groundbreaking industries.

Dr. Chang-Díaz currently serves as the Chief Executive Officer of Ad Astra Rocket Company in Webster, TX. He spent 25 years as a decorated NASA astronaut, flying seven missions into space. When he retired from NASA in 2005, he founded the Ad Astra Rocket Company to continue the development of his invention, the Variable Specific Impulse Magnetoplasma Rocket (VASIMR) engine.

The VASIMR engine is an advanced plasma space propulsion system that will revolutionize space travel. With VASIMR, a sustainable, efficient, and high-powered engine, we can stay longer and travel further in space. Dr. Franklin Chang-Díaz and his company, Ad Astra, are transforming the trajectory of our space industry.

Using plasma physics to bring the advanced rocket technology to life, Ad Astra plans to commercialize the VASIMR engine by 2025 for the emerging in-space transportation market. The VASIMR engine's capabilities will vastly change how we think about space travel. Transit to Mars will be shorter by several months, enabling more robust human missions to the Red Planet and beyond.

Madam Speaker, I would like to honor Dr. Franklin Chang-Díaz for his extraordinary achievements and leadership in the field of space transportation.

DAN HEINS TRIBUTE

HON. MIKE BOST

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 20, 2021

Mr. BOST. Madam Speaker, I rise today to pay tribute to Dr. Daniel Heins, who will be retiring at the end of this month from his position as national president of the United Postmasters and Managers of America (UPMA). Dan began his accomplished postal career in Minneapolis, Minnesota in March of 1981 as a distribution and window clerk. He rose through the ranks as a letter carrier, a supervisor, a station manager, and then in 2010, he was appointed postmaster in Stewartville, Minnesota. Prior to his election as UPMA national president, Dan served in various leadership positions within the Minnesota Chapter of UPMA, including district director, executive vice-president, secretary-treasurer, and nine years as a chapter president. Nationally, Dan served in roles as vice-president and secretary-treasurer before being elected president on November 1, 2018. UPMA has 25,000 active and retired members including postmasters, managers, supervisors, retirees and associate members. Dan is committed to making sure that UPMA does everything possible to improve the lives of their members at all levels of the organization. As the organization's first president, Dan worked hard to establish UPMA as a trusted voice among policymakers on Capitol Hill. He was singularly determined to advocate on both sides of the aisle for comprehensive postal reform to ensure that the USPS continues to exist. Dan shared his personal belief in the importance of reform so future employees could have the same opportunities for personal growth that Dan had been blessed with. His passion for being a postmaster and his professional commitment to a successful USPS have been unassailable. In 2019, Dan led a successful

UPMA convention and followed up on his commitment to building and growing a dynamic association by having record attendance at the Congressional Summit in early 2020. Hundreds of postmasters who came to Washington under Dan's leadership last year to advocate for postal reform and their benefits. About a month after that successful summit, the COVID-19 public health crisis struck. Dan immediately jumped into action, communicating to policymakers on Capitol Hill the dire situation the USPS was in and the need for supplemental funding to provide PPE and ensure the timely delivery of the unprecedented volume of packages from local stay-at-home orders. In the summer of 2020, Dan and his wife, Karen, traveled the country to a number of UPMA state conventions, demonstrating his commitment to the vitality and success of the Association. Even though the 2020 national convention welcomed only a fraction of its usual attendance, Dan made sure that postmasters continued to come together and be recognized for the essential work they do. In the fall of 2020, as postmasters throughout the country prepared for record vote-by-mail turnout, Dan was a steady voice to his members assuring them that postmasters and postal employees would rise to the challenge. I was proud to meet with my local postmasters from Southern Illinois during this year's Congressional Summit and thank them for the essential service they do every day. Madam Speaker, I am proud to recognize Dan Heins for his leadership as president of the United Postmasters of America. I also recognize his wife, Karen, a true partner to Dan whose steadfast support has helped him achieve his success. As a new president takes office, I know that a solid foundation has been built by UPMA because of the work of President Dan Heins.

HONORING THE LIFE AND SERVICE OF MR. LOY OWNBY

HON. DIANA HARSHBARGER

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 20, 2021

Mrs. HARSHBARGER. Madam Speaker, I rise to recognize the life and service of Mr. Loy A. Ownby of Sevierville, Tennessee. Mr. Ownby was born on August 9, 1920 and passed away on February 5, 2004.

He was a highly decorated Veteran of the United States Army, having served in World War II in Burma, China, and India as a member of the famous Merrill's Marauders.

Officially named the 5307th Composite Unit (Provisional), this elite unit was a United States long range penetration special operations jungle warfare unit which fought in the South-East Asian theatre of World War II. In slightly more than five months of combat, the Marauders had advanced nearly 1,000 miles through some of the harshest jungle in the world, fought in five major engagements and battled hunger, fevers, and diseases as they traversed more jungle terrain than any other U.S. Army formation during World War II. They had the rare distinction of each soldier being awarded the Bronze Star, Silver Star and the Burma Liberation Medal. Their unit was also awarded the Distinguished Unit Citation.

On December 5, 2019, the United States Senate passed Senate Bill 743, the Merrill's Marauders Congressional Gold Medal Act, to honor their extraordinary service. On September 22, 2020, the House of Representatives also passed the bill by unanimous consent. The Congressional Gold Medal is the highest expression by Congress of national appreciation for distinguished achievements and contributions to the country.

Loy's legacy of love includes his marriage to his wife, Beatrice; of fifty-nine years, and his children who are so proud of his service, Freda Carver, Linda Ownby, Paul Ownby, and Steve Ownby.

Madam Speaker, Loy A. Ownby faithfully served his country under the most difficult situations possible and as a member of Merrill's Marauders. I proudly honor his legacy and service.

**GROUNDBREAKING CEREMONY OF
THE VETERAN ADMINISTRATION
DOMICILIARY PROGRAM AND
PSYCHOSOCIAL OUTPATIENT
CENTER**

HON. JENNIFFER GONZÁLEZ-COLÓN

OF PUERTO RICO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 20, 2021

Miss GONZÁLEZ-COLÓN. Madam Speaker, the construction of the Veterans Administration Domiciliary Program & Psychosocial Outpatient Center in Puerto Rico is a long overdue facility that will serve Veterans in the geographic area of Puerto Rico and the U.S. Virgin Islands, including close to 23,000 mental health patients. The Center will complement the Veterans Administration Caribbean Health System (VACHS) with Psychosocial Residential Rehabilitation Treatment Programs to assist Veterans living with mental illness. The programs will assist the Veteran by instilling hope, validating strengths, teaching skills, and facilitating community integration so that each Veteran can develop meaningful self-determined roles in the community.

With 52,000 net usable square feet and 177 parking spaces and an investment of approximately \$50 million dollars, the VA Domiciliary Program & Psychosocial Outpatient Center will include a Residential Program and a Psychosocial Recovery Program. In the facility the veterans of the region will be able to receive services close to their homes, rather than referring them to other facilities in the U.S. mainland, which could deprive our Veterans from their family support and limiting their ability to fully benefit from the services received, due to cultural and language barriers.

The Veterans of Puerto Rico and U.S. Virgin Islands have never wavered in their resolve to give their best in the defense of the Nation. Overcoming social norms and without full representation in the U.S. Congress, as deserved by all American citizens, they persevered and are an inspiration to all of us.

Today, October 20, 2021, the words of President Abraham Lincoln, "To care for him who shall have borne the battle," that are the motto of the VA, are fulfilled as we celebrate the ground breaking of the construction of the Veterans Administration Domiciliary Program & Psychosocial Outpatient Center in Puerto Rico. I hope we can all be inspired by the ex-

ample of the Veterans of Puerto Rico and the U.S. Virgin Islands and ask that we can commit ourselves to making sure that the words of President Abraham Lincoln compel us to strive without rest to serve those who served.

IN MEMORY OF CHRIS PACE

HON. ANDY BARR

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 20, 2021

Mr. BARR. Madam Speaker, I rise to honor the life of a great American, Christopher Jack Pace. Chris was a dedicated public servant and a leader in Clark County, Kentucky. He passed away on October 14, 2021 at 44 years of age.

Chris was elected as the County Judge-Executive of Clark County in November of 2018. He took office the following January and proved from that first day to be a caring and competent leader for the community that he loved. Chris was well-respected by all those he encountered in his position as Judge-Executive. I was honored to collaborate with Chris on many projects to benefit the community. On a personal note, I was honored to consider Chris a personal friend.

Chris was a graduate of George Rogers Clark High School, Eastern Kentucky University, and Northern Kentucky University's Chase College of Law. Chris served as Student Government President at both ECU and NKU. He was a leader who served the community on several boards. Chris was a youth soccer and Upward basketball coach, as well as the public address announcer for GRC volleyball. Most importantly, Chris was a Christian who was strong in his faith in Jesus. He tried to follow Him daily and was a Godly example to us all. Chris was a member of Calvary Christian Church.

Chris loved his family deeply. He was the husband of Shannon, father of Jack, Roman, and Maria, son of Betty Pace and the late Donald Pace, and brother to Donna Gail Baker and Donald Pace, Jr. He had a large and loving extended family.

Chris was the epitome of a good family man, a good citizen, and a good leader. He loved his community and his country. He will be greatly missed by all who were blessed to have known him. He loved life and lived it enthusiastically as evidenced by the genuine smile that was always on his face. It is my honor to lift up the life of Christopher Jack Pace before the United States Congress.

**CONGRATULATING CHIEF KEVIN
SHOOK ON HIS RETIREMENT
FROM THE KEWANEE FIRE DE-
PARTMENT**

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 20, 2021

Mrs. BUSTOS. Madam Speaker, I rise today to recognize Chief Kevin Shook, who is retiring from the Kewanee Fire Department after 23 years of service.

Chief Shook has been a member of the Kewanee Fire Department since 1998. Work-

ing his way through the ranks, he became Chief of the Department in 2016. His steadfast determination to keep his community safe, strive for innovation, and ensure the preparedness of the Kewanee Fire Department has been unwavering throughout his career in public service. Earlier this year, under Chief Shook's guidance, the Department was awarded a \$205,431 regional grant through the Assistance to Firefighters Grant (AFG) program. This transformative investment to the city of Kewanee was made possible because of Chief Shook, one of the latest examples of his strong leadership.

It is because of dedicated and selfless leaders such as Chief Shook that I am especially proud to serve Illinois' 17th Congressional District. Madam Speaker, I would like to, again, formally congratulate Chief Kevin Shook on his well-earned retirement and thank him for his 23 years of service to our community.

**IN RECOGNITION OF PENN-MONT
ACADEMY**

HON. JOHN JOYCE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 20, 2021

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise to recognize Penn-Mont Academy in Hollidaysburg, Pennsylvania, as they celebrate their 60th year providing a Montessori education to the students of our community.

Penn-Mont Academy was founded in 1961 by Aline and Gerald Wolf, who founded the school in their home with a vision to create one of the first Montessori institutions in the United States.

Over the past 60 years, the school has worked to provide a creative and insightful education that molds independent and lifelong learners.

This school is important to my family and me. My wife, Dr. Alice Plummer Joyce, was one of the school's first graduates.

I am incredibly grateful for the outstanding work that The Penn-Mont Academy does in our community. From the Wolfs front porch to their current home in Hollidaysburg the Penn-Mont Academy has offered generations of students the foundation they need to succeed.

The school's commitment to educating the children of Blair County is exceptional, and I look forward to their continued work to support and inspire our future leaders.

On behalf of the people of Pennsylvania's 13th Congressional District, I congratulate the students, staff, and administration of Penn-Mont Academy on reaching this historic milestone and wish them every continued success in the years to come.
